Congratulations to the top CPPRA pilots for 2008:

Q500	Q40
1) Roy Andrassy	1) Roy Andrassy
2) Doug Houston	2) Randy Smith
3) Rod Kelln	3) Doug Houston

The final standings for Q500 and Q40 have been posted on the [2008 Final Results](#) page.

Team Graval Sweeps Saskatoon Contest

posted Aug 25, 2008 11:20 AM by Kevin Umbach [updated Aug 25, 2008 12:03 PM]

Congratulations to Cecil and James Graval for winning the Q500 and Q40 events at the Saskatoon contest. James has only been calling for his dad for a short time and by the amount of hardware they brought home you can tell he is doing an awesome job. Jim Smith also presented Cecil with the Hub City R/C Pylon Champion trophy for earning the most points in both events over the weekend.

Jeff Martin and Kevin Umbach both made their debut in Q40 racing on Sunday. Thanks to some test flights and instruction by Randy Smith, Jeff and Kevin managed to survive the race and even avoided mid-airing each other.

Special thanks go out to all the Hub City R/C Club volunteers for putting on a great event. Also thank you to [Hobby World](#) for sponsoring the great breakfast we enjoyed on both days of the event. And thanks to Jim Smith for building the lap counting system which shows great promise once the small kinks are worked out.
