### Season Ends in Edmonton

posted Sep 16, 2011 7:32 PM by CPPRA Administrator [ updated Sep 16, 2011 8:41 PM ]

Edmonton hosted the last contest of the CPPRA 2011 racing season on the weekend of September 10th & 11th, 2011. On Saturday, the Quickie 500 group was treated to some great fall weather: sunny, warm, and a light wind. There was lots of great racing. However, the weather didn't hold up on Sunday and Quarter Midget 40 started under an overcast sky with a strong cross wind. After the first round, tents started blowing away and the cross wind shifted to 90 degrees across the runway. This made for very difficult landings and the racing was then cancelled.

Here are the top Q500 pilots of the weekend:

- 1st Place - Roy Andrassy (And fast time of the day).
- 2nd Place - Randy Smith
- 3rd Place - Murray Hamula

Thank you to all the family and friends that volunteered their time!

<b>1.</b>	Roy Andrassy	Doug Houston
<b>2.</b>	Peter Thannhauser	Roy Andrassy

A Q500 fast time of 1:02.50 was pulled in by Roy Andrassy. Doug Houston held the fastest time of the day in Q40 with a 1:04.62.

Many thanks to the RWF club for hosting the event. Your volunteers are awesome, thank you for helping! Thanks also to Hank Kauffmann for setting up Judgeman on Sunday.
